The Maestas Team Challenge XII consists of two competitions: a junior team competition and adult individual competition. The rules for each of these competitions follow below.

1. Coaches will be allowed. All coaches must wear a school team jacket and warm up pants. No coaching in suits. White tennis shoes are required.
2. Officials must in dress blues per USTF Tournament Rules and Regulations Handbook.
3. All juniors must be on a five person team.
4. Adults are competing in individual sparring, patterns and power breaking. Adults do not need to compete in all three events. Indicated on the registration form which events you will compete in.
5. Be sure to read the rules below carefully.
6. Contact Robert Martin if you have questions.

Maestas Taekwon-Do Team Challenge XII

Junior (age 15 and younger) Rules

This will be a team format tournament; therefore, all competitors must be on a team. Individuals will compete within their own divisions for individual awards in sparring and breaking and, if they place, they will also earn team points. Pattern competition will be team patterns only. All five team members (15 years and younger) will compete in sparring, breaking, and patterns. All belt levels and ranks are encouraged to participate, although we reserve the right to adjust divisions as necessary to ensure a fair and equitable format for team points. **All teams must pre-register by March 7th – no exceptions!** Teams must declare the team patterns on the registration form and include a complete roster. All team members must pre-register using the form provided.

Sparring will be light, controlled contact with safety pads. **All competitors regardless of age or rank must wear headgear for sparring. We will make every effort to allow all competitors to spar at least twice in a consolation style bracket (divisions of three or less may only spar once).** All referees and judges are certified by the USTF. All referees will need their certification cards and proper attire to be on the gym floor (dark blue pants, white shirt, dark blue tie or scarf, white tennis shoes).

Registration forms and complete tournament rules may be obtained from Maestas Taekwon-Do. **Complete rules will be available after January 1, 2011.** Visit www.maestastkd.com for additional information. You may also call 303-895-9741 or send an email to bmartin@maestastkd.com to request a registration packet. A maximum of 18 teams will be allowed in the junior division. Pre-registration will begin after January 1, 2011. Slots are filled on first come/first serve basis.

SPECIAL TEAM RULES:

Each junior team must consist of five members of any rank and either gender. All members of each team must be Junior in age (15 and younger). Competitors can only be on one team. Each Taekwon-Do school may enter as many teams as it wishes. We encourage each team to have signs, banners and school spirit to identify its team members. Each team should bring a sign to held by one person with team name, school name and school location (no larger than 24" x 24" please).

Individual competitors will earn points for their team if they finish 1st, 2nd or 3rd in their division in sparring and/or breaking. If a competitor does not finish in the top three places in their division, the team will not receive any points from that competitor's performance. All teams will earn points for patterns competition (see below for details).

All teams must compete in all three events. Only registered team members can compete. First, second, and third place trophies will be awarded for overall team competition. First, second, and third place medals will be awarded for individual sparring and breaking divisions and for each team member in team patterns.

****Sparring divisions** will be bracketed according to height/weight/age. Each division will have no more than eight competitors and no less than six. Maestas TKD reserves the right to add, split, or delete a division based upon the number or size of the competitors in order to make the tournament as fair as possible. All team members must submit a registration form by the due date. **Incomplete or incorrect (in the view of the tournament officials) registration forms may result in the disqualification of the entire team.** All competitors must have safety equipment as specified in the USTF Tournament Rules and Regulation book. **All competitors must wear head gear.**

****Breaking divisions** will use the same brackets as in sparring. Breaking competition can be any standing kick, e.g., front kick, side kick, turning kick, back kick, etc. **All breaking will be with "Ultimate" Martial Arts Board brand plastic boards.** Score will be based on the rating of each color of board. See attached sheet.

Maestas TKD defines standing kick as any kick that is executed with the supporting foot firmly planted on the floor when the kicking foot makes contact with the boards. **Modified back kick will not be allowed.**

Team members will break directly after performing their team pattern. Number of boards broken will be recorded and entered on the bracket sheet after sparring divisions are bracketed. If any ties exist they will be broken at this time. Tied competitors will choose a number between one and ten. Closest number will attempt their break first. Ties will be broken according to the rules in the "USTF Tournament Rules and Regulations" published in 2010 by the USTF. See page 48, Section I for details. In the event that no boards are broken than no medals will be awarded for that division and no team points given.

****Team patterns:** Each team will perform one pattern of its choice, which it will be required to declare at pre-registration. Teams will perform their pattern one team at a time. The pattern chosen by the team cannot be more advanced than the pattern of the lowest ranking student who is performing the team pattern e.g. a high yellow belt must be competing in the pattern portion in order for the team to do Do-San. There will be three divisions: White-Yellow Belt (Chon-Ji through Do-San); Green-Blue-Red Belt (Won-Hyo through Choong-Moo); and Black Belt (Kwang-Gae and above). Every effort will be made to bracket teams accordingly and all teams will earn points (see below). Order of performance will be determined by random drawing. Patterns will be judged according to the guidelines in the USTF Tournament Rules and Regulations handbook (see page 58). The patterns must contain all the movements as outlined in the USTF Patterns Syllabus and the Taekwon-Do Encyclopedia. “Stagger” and “ripple” effects maybe performed. Team members do not have to face the same direction when performing the pattern but relative direction of motion (A, B, C, D, etc.) must be maintained for each individual team member. Teams will be judged from the moment they enter the ring until the moment that they exit the ring. Scores will be determined by using “number cards”. The high and low score for each team will be eliminated and the total of the remaining scores will determine the team’s final score.

****Point system for sparring and breaking:** Team points will be awarded for each 1st, 2nd and 3rd place earned by a team member in sparring and breaking. There are no tiebreakers for sparring. Breaking tiebreakers are described above. The following table shows point values:

Each First place	7 points
Each Second place	3 points
Each Third place	1 point

****Point system for team pattern:** Points awarded for team pattern will be awarded in a slightly different manner than above. Points will be awarded to all teams that complete their pattern. The table below shows point values:

First place	21 points
Second place	18 points
Third place	15 points
Fourth place	12 points
Fifth place	9 points
Sixth place	6 points
Seventh place and below	3 points

In the event of a tie in patterns, the following system will be used. If two teams score the same number in competition, then the number of team points are awarded for the place following. For example: If team A and team B each score 27.5 on patterns and that was the highest score, both team A and B would receive 21 points. The next highest team would only receive 15 points and so on down to 3 points. If three teams tied for first place, then they would each receive 21 points and the next highest score would receive 12 points.

***Overall event winners:** Awards will be given for the overall 1st, 2nd and 3rd place team in junior competition. The total number of points scored in all three events will determine winners. Only one set of first, second and third place awards will be given. A weighting system will be employed to insure that the competitive events – patterns, sparring and breaking – count equally in determining the overall team champion. In the case of a tie the following tiebreakers will be used:

Tiebreaker one	total number of 1 st place wins
Tiebreaker two	total number of 2 nd place wins
Tiebreaker three	total number of 3 rd place wins
Tiebreaker four	score from patterns competition
Tiebreaker five	total of high and low score from pattern competition

Maestas Taekwon-Do Team Challenge XII

Adult (age 16 and older) Tournament

Competitors will compete to earn points for their schools. Schools with 3 or more competitors will compete for the title of Maestas Team Challenge XII championship school. Individuals will compete in their own division (individual sparring, individual patterns, and individual power breaking) to earn points towards the school championship.

This event is open to all adult color belt (10th Gup white belt to 1st Gup red belt) and black belts (1st Dan to 4th Dan) students. Competitors may participate in one, two or all three events. Please check the appropriate boxes on the registration form.

Each Taekwon-Do school may enter as many competitors as it wishes (minimum of 3 to qualify for the school championship). We encourage each school to have signs, banners and school spirit to identify its members. Each school should bring a sign to held by one person with the school name and school location (no larger than 24" x 24" please). **We encourage all adults to preregister by March 7th. We will take late registrations on the day of the event but competitors must pay in cash and by 11:00 AM. A \$15.00 additional fee will be charged for same day adult registration.**

****Sparring divisions** will be bracketed according to height/weight/age. Each division will have no more than eight competitors and no less than six. Maestas TKD reserves the right to add, split, or delete a division based upon the number or size of the competitors in order to make the tournament as fair as possible. All competitors must submit a registration form by the due date. **Incomplete or incorrect (in the view of the tournament officials) registration forms may result in the disqualification of the competitor.** All competitors must have safety equipment as specified in the USTF Tournament Rules and Regulation book. **All competitors must wear head gear.**

****Breaking divisions** will use the same brackets as in sparring. Breaking competition can be any standing kick, e.g., front kick, side kick, turning kick, back kick, etc and any downward strike using the hand. **All breaking will be with "Ultimate" Martial Arts Board brand plastic boards.** Score will be based on the rating of each color of board. See attached sheet.

Maestas TKD defines standing kick as any kick that is executed with the supporting foot firmly planted on the floor when the kicking foot makes contact with the boards. **Modified back kick will not be allowed.**

Competitors will break immediately after their sparring division. Number of boards broken will be recorded and entered on the bracket sheet. Foot and hand break will be added together to calculate the total score. If any ties exist they will be broken at this time. Tied competitors will choose a number between one and ten. Closest number will attempt their break first. Ties will be broken according to the rules in the "USTF Tournament Rules and Regulations" published in 2010 by the USTF. See page 48, Section I for details. In the event that no boards are broken than no medals will be awarded for that division and no team points given.

****Pattern divisions** will be bracketed according to rank. Males and females will compete against each other. Competitors will perform their testing pattern (Black Belts can choose any of their testing patterns). Two competitors will compete head to head with the winner moving on in the bracket. This is a single elimination bracket.

****Point system for Adult Events:** Team points will be awarded for each 1st, 2nd and 3rd place earned by a team member in sparring, breaking and patterns. There are no tiebreakers for sparring or patterns. Breaking tiebreakers are described above. The following table shows point values:

Each First place	7 points
Each Second place	3 points
Each Third place	1 point

****Overall event winners:** Awards will be given for the overall 1st, 2nd and 3rd place school in the adult competition. The total number of points scored in all three events will determine winners. A single 1st, 2nd and 3rd place award will be presented to the head instructor or designated person from each winning school. A weighting system will be employed to insure that the competitive events – patterns, sparring and breaking – count equally in determining the overall team champion. In the case of a tie the following tiebreakers will be used:

Tiebreaker one	total number of 1 st place wins
Tiebreaker two	total number of 2 nd place wins
Tiebreaker three	total number of 3 rd place wins

Tiebreaker four

If no clear winner is determined by the three tiebreakers the Tournament Director and Chief Referee with flip a coin to determine the final places

Explanation of Boards

Again this year Maestas TKD will use plastic boards for the breaking event. After careful consideration we choose the Ultimate Martial Arts Board available from Century Martial Arts (Item number 1044). There are seven boards in the set and they are pre-valued. The following chart lists the value of each board and the setup for each. We have adjusted the value of yellow and orange to make calculations easier. Boards will be loaded into the holder with the highest value in the front. Every effort will be made to use new sets of boards. However, juniors may be breaking “broken in” boards.
